Our Services:

We curate and share meticulously compiled job listings from a range of trusted sources, including employer websites and Gulf job recruiters. Our PDF is a personalized and organized tool featuring current job postings, employer details, visa information, and necessary contact numbers for direct applications.

We ensure that every job listing in our document is authentic and verified before publishing, helping job seekers access legitimate opportunities.

Our Reach:

We have built a strong online presence, allowing job seekers to access job listings through multiple platforms:

- Facebook Group: 60,000+ members
- WhatsApp Groups: 25,000+ members
- Twitter: 6,000+ followers

Our Global Perspective:

This widespread outreach reflects our commitment to presenting you with a broad spectrum of overseas employment choices.

Join Us:

If you are an Indian job seeker looking for genuine Gulf job opportunities, you're in the right place. Join our thriving community by following Assignments Overseas on our various social media platforms. Let us be your guiding light towards a prosperous and fulfilling career abroad.

How to Apply

Within this PDF (Assignments Overseas), we've shared job vacancies from major Gulf countries that are actively hiring. This includes direct employer listings, recruitment agencies, and verified consultancies.

★ How to Apply?

- Read the job descriptions carefully.
- Note the employer details, phone number, and email.
- Contact the employer directly via WhatsApp, phone, or email.
- If a recruiter is involved, inquire about necessary documentation and visa requirements before proceeding.
- Ensure that all details match the job offer before making any financial commitments.

💡 **Pro Tip:** Avoid agencies that demand advance payments. Genuine employers or recruiters never ask for money before providing job details with job offers.

Disclaimer

We want to make it clear that Assignments Overseas is not a recruitment agency. We do not hire candidates or charge job seekers for employment.

Our role is solely to share job-related information gathered from publicly available sources and employer listings.

Because of a high number of fraudulent job postings online, we strongly recommend verifying job offers before proceeding with any financial transactions.

CONTACT US FOR JOB LISTING

Assignments Overseas posts free job listings from Gulf-based recruitment agencies, consultancies, and direct employers. If you're a recruiter looking to share vacancies, feel free to reach out to us.
